

2023-2024 Fee Schedule

Welcome to the 2023-24 season and thank you for choosing to be a member of the Cheltenham Swimming Club. We look forward to providing you with the support and environment to enjoy your swimming over the next 12 months.

Your fees are calculated based on the number of training sessions swimmers need in their respective squad, as well as additional support. Each swimmer pays a training fee and fees are billed monthly in advance at the beginning of each month or by term in advance. Fees are due and payable within 14 days of invoice. Failure to keep up with fee payment may result in swimmers being unable to take part in Club training or activities.

- Training fees and registration fee are **non-refundable** and are payable in advance
- Make up sessions are generally available (but not guaranteed) at the coach's discretion – to be requested by the swimmer/parent
- During COVID-restricted operation, only swimmers who are injured or away for **more than one week** may apply for a suspension of fees:
 - Application due to illness must be made as soon as possible after first missed session
- During unrestricted operation, only swimmers who are injured or away for **2 weeks or more** may apply for a suspension of fees:
 - Application due to illness must be made as soon as possible after first missed session
- In the event of a non-illness absence the club must be advised at least 2 weeks in advance
- Requested changes to training arrangements (e.g., switching from Senior 3 to Senior 2, going on holiday, etc.) must be made in writing in writing to CASC Bookkeeper
- Families experiencing difficulty with the payment of training fees should contact CASC Bookkeeper ASAP to make a suitable payment plan

If swimmers stop training or change squads, please contact the CASC Bookkeeper via email to have fees discontinued or adjusted. Your commitment is for the entire 2023-2024 season starting from the commencement of your membership. You MUST let us know 2 weeks in advance if you are going to stop swimming, change squads, or go on a holiday for more than a week.

Family Discount (does not apply during restart or COVID restricted timetable)

Family discounts apply as follows for families with 2 or more swimmers:

- Third and additional children 10% discount

Squad Fees

If you reserve a training session during any term in which we are under the Government restrictions due to Covid-19 or other conditions that limit lane availability, you MUST let us know 24 hours in advance if you are going to miss a session or you will be charged for it. The only acceptable reasons for missing a session without giving 24 hours' notice and not receiving a charge are: having a cold or other sickness, being in contact with someone with COVID-19 and following up with a test, or a legitimate concern over a significant public spike in cases. All other reasons for cancellation without 24 hours' notice will incur a full charge for the session.

Absenteeism

Make up sessions are generally available (but not guaranteed) at the coach's discretion – to be requested by the swimmer/parent. Only swimmers who are injured or away for 2 weeks or more may apply for a suspension of fees: in the event of a non-illness absence the club must be advised at least 1 month in advance; application due to illness must be made as soon as possible after first missed session.

Fees

You agree to pay training fees within the first two weeks of the month due. A late payment fee of \$20 per month may be charged for fees that are outstanding for more than 30 days. Two weeks written notice to the administrator of the club is required on termination of membership. Members will be liable for all fees until written notice of termination of membership is received by the club. Members will still be liable for all outstanding fees at the time of termination of membership. If a collection agency is required to collect outstanding fees, then the cost of that collection is to be borne by the swimmer or their guardian.
