

## 2022-2023 Terms and Conditions

Cheltenham members are held to the highest standard and expected to be leaders within their squad and the club by behaving in a way that sets a positive example for everyone around them.

I agree to abide by the Swimming Australia Code of Conduct, which states

Play by the rules.

Never argue with an official. Always use the appropriate rules and guidelines to resolve a dispute.

### Parent / Guardian Code of Behaviour

Remember that children participate in sport for their enjoyment, not yours.

Encourage children to participate, do not force them.

Focus on the child's efforts and performance rather than winning or losing.

Encourage children to always play according to the rules and to settle disagreements without resorting to hostility or violence.

Never ridicule or yell at a child for making a mistake or losing a competition.

Remember that children learn best by example. Appreciate good performances and skillful plays by all participants.

Support all efforts to remove verbal and physical abuse from sporting activities.

Respect coaches' and officials' decisions and teach children to do likewise.

Show appreciation towards your coaches, officials and administrators. Without them, your child could not participate.

Respect the rights, dignity and worth of every young person regardless of their gender, ability, cultural background or religion.

Treat coaches with respect and understand that they are acting in your swimmer's best interests.

## Squad Training

I understand that invitation to all competitive squads is at coaches' discretion and based on a number of factors beyond performance times alone. I agree to respect the coaches' decision regarding any, and all, squad moves, with the final decision resting with the Head Coach. I understand that ALL swimmers, and parents, are required to adhere to the code of conduct and any failure to do so may result in suspension or expulsion from the club.

## Absenteeism

Make up sessions are generally available (but not guaranteed) at the coach's discretion – to be requested by the swimmer/parent. Only swimmers who are injured or away for 3 weeks or more may apply for a suspension of fees: in the event of a non-illness absence the club must be advised at least 1 month in advance; application due to illness must be made as soon as possible after first missed session.

## Fees

You agree to pay training fees within the first two weeks of the month due. A late payment fee of \$20 per month may be charged for fees that are outstanding for more than 30 days. Two weeks written notice to the administrator of the club is required on termination of membership. Members will be liable for all fees until written notice of termination of membership is received by the club. Members will still be liable for all outstanding fees at the time of termination of membership. If a collection agency is required to collect outstanding fees, then the cost of that collection is to be borne by the swimmer or their guardian.
